Newsletter 2 - October 2013

Sharing is our Value until half term!

Through our assemblies and PSHE lessons, we are encouraging the children to think about how they can **share** with others; not only their belongings but their skills and talents. An act of kindness or kind words are just as important as sharing a toy or a pencil.

If your child demonstrates this value at home, please let their class teacher know so we can celebrate how they have demonstrated this value.

Celebration Assembly

Every Friday in our Celebration Assembly, we **share** the children's successes both inside and outside school. If your child has achieved something outside of school such as gaining their swimming certificate, won a medal or passed their ballet exam, please send them in with your child on a Friday morning. Please make sure the certificates are current, though! We will share your child's success in the assembly with a round of applause as they are awarded a Celebration Assembly sticker.

We also celebrate your child's birthday. They will be presented with a birthday card, a sticker and we all sing Happy Birthday to them. Children who have birthdays in school holidays, are presented with their birthday card just before the holiday begins.

On rare occasions, we may have to postpone the Celebration Assembly due to an event such as a Showing Assembly. On these occasions, the Celebration Assembly will take place on the following Monday.

School Bags – A reminder please, especially for children in Years 3 and 4, that part of the school uniform is the school Book Bag. We do not have the room to accommodate all the satchels, backpacks and rucksacks that are now coming into school. It would be very much appreciated if all children use the school Book Bag to bring the few items they need to into school.

Book Fair

The Book Fair will open after school on Wednesday 9th; Friday 11th, Monday 14th and Tuesday 15th.

The Book Fair will not be open on Thursday due to the setting up of the Boden evening.
