

Weekly Update for Class 4

This month's Value is **Forgiveness**

Week beginning – Monday 22nd May

This week we are learning about...

	<p>Topic In Topic we will be researching facts and opinions about the Titanic, regarding the roles played by different key people. We are going to focus upon the decisions which led up to the Titanic sinking and whether any of these had a major impact upon the tragedy and why. In Science we shall be completing our unit about light and looking at the relationship between light sources and changing shadows.</p>
	<p>English / Literacy We will be honing our interview techniques this week. The children will be tasked, in pairs, to interview teachers from Harrold Primary Academy, and will have to present these for a corridor display. The children are also going to show their creativity and design a new super hero character, allocating powers and creating their costumes.</p>
	<p>Phonics and Spellings There are new spelling lists coming home this week. These are also on our website.</p>
	<p>Numeracy and Maths We will be exploring skills and strategies required to find areas and perimeters of shapes.</p>
	<p>Useful Websites... https://www.trockstars.com/login Times tables Rockstars website https://nrich.maths.org/7280/note a challenge activity for perimeter</p>

Information - *dates, reminders, etc...*

Bike ability all day Tuesday.

We break up for half term holiday this Friday.

A reminder – the children need to be learning their play scripts, ready for rehearsals next half term.

Don't forget to check the Class Page and Phonics Page on the school website
